

What  
happened  
two  
days  
ago?

Kuro gave her heart to Shiro to  
save her life, in exchange Kuro  
received a mechanical heart  
she has to keep recharging to  
stay alive. A few years after the  
heart transplant their doctor gave  
the two of them "that thing"

Ah,  
Kuro-chan  
woke up...

その目覚めはいつもより鮮やかで.....  
Today's awakening was more bright than usual

Kuro-  
chan.

Good  
morning.

As always,  
typical of  
her...

That's  
dangerous,  
so stop it!

I tried this  
during my  
bath.

How  
high will  
my heart  
rate go?

Look!  
Ermm

I think  
it's better  
to act on  
things.

I hate  
thinking  
negati-  
vely.

Exactly,  
that's the  
right way to  
do things!

You do  
everything  
that comes  
to your  
mind.

you  
replied  
that you  
couldn't  
play.

Every  
time I  
invited  
you to  
play,

It's not like  
I can forget  
that!

Back in the days  
I used to come  
to your house  
every day.

Do you  
remember?

and did what I  
did back then!

I'm glad  
I acted,

It's really  
typical of  
her!

I like that  
side of her.

anything that  
would take so  
much effort as  
trying calmly  
in bed.

What was I  
even capable  
of doing?  
Reading  
books.

I used to be very  
weak and ill in  
the old days.

You're so brave,

confessing  
to someone  
is amazing.

Is that  
true?

I have to  
hold myself  
back from using  
it too much.

You confessed  
to Kuro-chan  
right?

What

?

Hey,  
she's really  
cool,

it makes  
me want  
to confess  
to her.

Hahaha,  
so you're  
completely  
charmed by  
her?

I heard  
she drove  
away some  
perverts  
for you.

Is it... can  
be entered  
my fire-dial?

Through  
street and  
online

connect  
to fire-  
dial?

I  
entered  
dial's  
get home  
today.

Really  
fire-dial  
data.

searching  
to reach  
again  
to reach  
company.

My dial  
can't connect  
that.

There is a possibility  
that Kuro-chan is  
another person.

Kuro

I have to get  
as far away from  
here as possible.

This is bad.

I don't  
have time  
for that!

but Shiro  
is crying!!

Shut up shut up!  
I know I have  
to recharge,

Please  
tell me why  
you're  
crying!

Shiro!

Sniff

Come back,  
I can't--!!

silence

The  
battery of  
my mechanical  
heart ran  
out..
